

Edina Family Physicians and Allina Health Clinic patient guidelines

To protect the health and safety of our patients and care teams, **Edina Family Physicians** and **Allina Health** has updated our visitor guidelines.

- Masking is required for everyone at all Allina Hospitals and Clinics
- Patients and visitors will be screened for symptoms of **COVID-19** and must pass the screening to enter clinic.
- Patients and visitors must have good hand hygiene during the visit. Hand sanitizer is located at all building entrances.
- Patients are allowed one visitor during their appointment.
- A patient under 18 may have two parents or legal guardian visitors.
- Patients and visitors will be asked to leave if they do not comply with the symptom screening process
- If the lobby is over capacity, visitors may be asked to wait in their car.
